Any ways you volunteer at Brigade beside the board (current/past service): Mr. Anderson has volunteered at Onaway for the past 33 years as a Leader and is a past Chore Boy, Camp Director, and Camp Manager. He has also volunteered on and off for the winter Brigade program as a speaker and a group leader. He has also served on a number of Ad Hoc Committees for Brigade.

Brief snapshot of your family: Mr. Anderson lives in Neenah and met his wife at Camp Onaway! Mr. Anderson states his wife Janie and he are best friends and both volunteer at Brigade as Brigade is a lifelong family venture. Janie has the bragging rights in the family when it comes to Brigade as she is a past Outstanding Brigader and BAAC. They have two kids, Mady (in Brigade) and Connor (soon to be in Brigade). They also have a large lap dog named Bailey plus a water frog named Froggily and a fish name Vapor. On any sunny day in the summer you can find the Andersons out on their boat as well as watching the kids in Karate, soccer, and their many musical endeavors.

Other information you would like included: I look forward to helping Brigade to move forward as a team and to continue to serve the youth of the Fox Valley and beyond.
