Other information you would like included: Jane Wells has been active with the Boys' & Girls' Brigade for over 25 years. She has been involved in many aspects of the organization, including seven years as an employee of the Brigade. Her recent participation includes being a leader at Onaway Adventure Camp, and a workshop leader for the 7th grade boys' program. She enjoys seeing Brigade through the eyes of her son who is in the boys' program, and a 5th grade daughter who can't wait until it will be her turn to join. No matter what role Jane is serving in the organization, she is amazed at the environment and opportunities that Brigade provides the youth of our community. Brigade is fortunate to have so many wonderful volunteers and a staff that is dedicated to helping kids be "My Own Self, At My Very Best, All the Time."
