Closures

Brigade follows the Neenah Joint School District for weather related closures. When Neenah closes school or cancels after-school extracurricular activities due to weather, Brigade will also close for the evening. Brigade will post any closing information at bgbrigade.com as well as our Brigade Neenah Facebook page and our incoming phone message no later than 3pm the day of cancellation.

Cell Phones & Personal Electronics

Brigaders are strongly encouraged to leave phones at home. They are a distraction to Brigade programs and anti-social by their very nature. One of our primary goals is to facilitate strength of character, leadership and relationship building with one another during our programs. Brigade leaders will set the example by not using cell phones during Brigade programs.

Smoking/Vaping/Drugs/Alcohol

Brigade operates a substance-free facility and absolute sobriety is expected on the part of all Brigaders and Brigade Leaders.

Traffic

For the safety of our kids, PLEASE DO NOT pull up on the street in front of Brigade. Establish a meeting point with your child. Plenty of parking exists in the lot immediately across the street from our building towards the post office.

Visitors

We encourage friends and visitors to join in the fun at Brigade! If you are interested in joining a night of Brigade this fall, call ahead or come to the office. Interested youth may become members at any point throughout the year!

Wreath Sale

Our 66th annual wreath sale begins Monday, October 16th. Brigaders will receive their sales packet on their program night that week or they may be picked up at the Brigade office beginning 3:00pm October 16th.
